MORLEY STANWOOD HIGH SCHOOL
Morley, Michigan

Foreword

This book represents a history of firsts during the past school year--our first year in the NCAA league, the first annual Homecoming, the first graduating class from the new high school, and our first football championship. In the years to come, may it serve as a lasting reminder of the memories we have shared.

Musicians develop skills through practice

The Band program at Morley Stanwood, under the able leadership of Mr. Robert Supplee (pictured right), has grown to a high degree of excellence. Through his guidance, our school has many fine musicians, not only in the Senior Band, but also in the Junior Band and Elementary level as well.

The Pep Band (pictured below), is comprised of those Band members who are not participating in athletics or cheerleading. Throughout the season they have provided a number of special arrangements for the enjoyment of the home basketball fans.

Vocalists acquire new polish

The Morley Stanwood High School Chorus, or Glee Club, has enlarged its membership to thirty five this year. This fine turnout is largely due to our new vocal instructor, Mrs. Sophia Ranger, whose friendly personality has drawn many potential singers into the group. Since the class meets five days a week, instead of three as in the past, students are able to learn the fine points of music as well as enjoy the many songs that are sung. Through various projects, the Glee Club was able to purchase new collars for their robes. They are gold sheen with blue monogrammed letters.

At right, Linda Woolworth and Max DeHaven try on the new collars while Mrs. Ranger looks on with approval.

At 8:40 a.m., Morley Stanwood High School students pile off the busses and enter through these doors to begin another day of study.

Before Bus Arrival

Before the busses arrive the long hallways are deserted except for a few students and teachers who come early.

Students shine during early morning hours

School starts promptly at 8:45 and in first hour chemistry class Mr. Ladden demonstrates the distillation process to his students. The science laboratory serves both chemistry and physics classes and is equipped with a photographic darkroom, six student experiment units, and the instructor's unit which is shown above.

First Hour

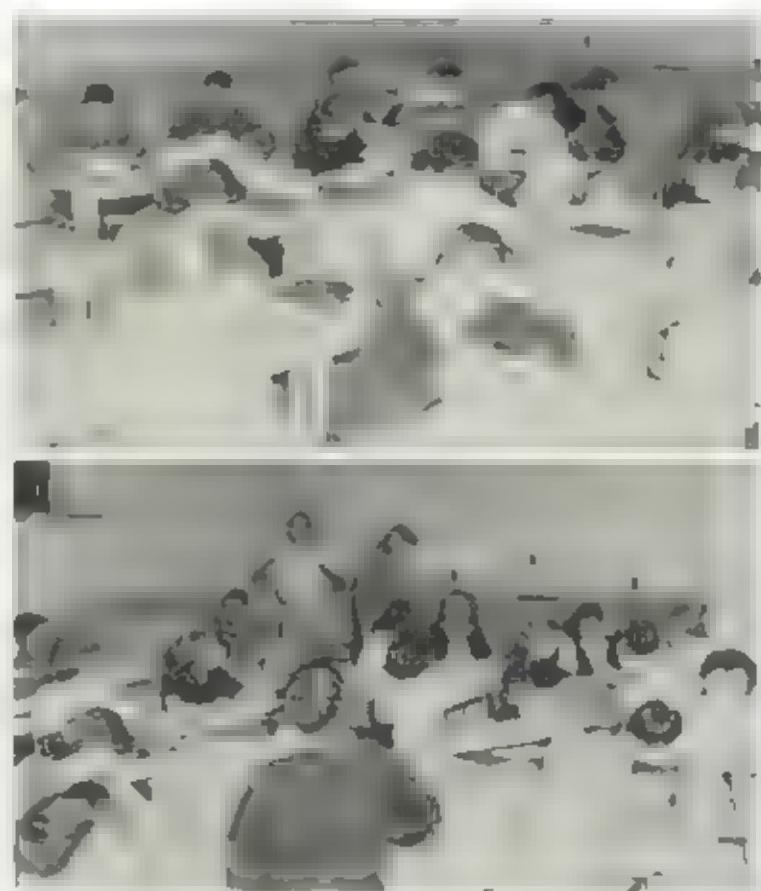

In first hour biology class Mr. Platt supervises students in a study of the body using the "human torso." This area doubles as an agriculture headquarters and has an adjoining milk-testing room.

Second Hour

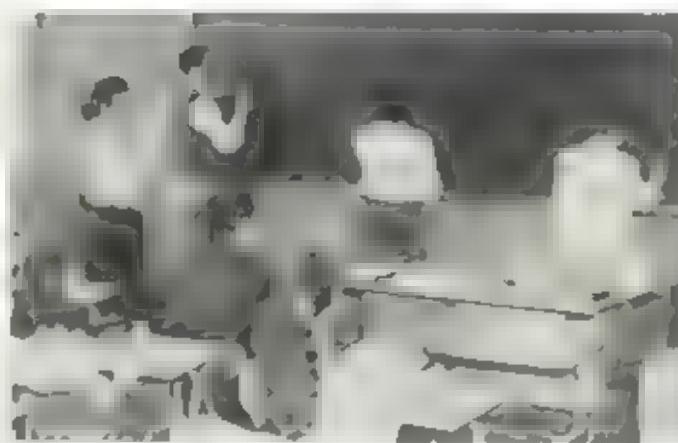

In our modern library students may complete assignments, check back issues of newspapers or enjoy the many magazines that are available. The library contains 2600 volumes and has adjoining office, workroom, and visual aid facilities.

Third Hour

The "Honor Study Hall" students behave in either of the two ways shown above. In this room however, they are "on their own" and their self-discipline creates a pleasing atmosphere for study.

Lunch period anxiously awaited by all

Members of the Spanish class conjugate verbs on the chalkboard as Mrs. Kalaher watches closely.

Fourth Hour

Mr. Jorgensen points to display on Russia as students in fourth hour government look on

Lunch Hour

Although scheduling will only allow a thirty minute lunch period, students have adjusted their eating habits so that most have a little free time at noon.

Fifth Hour

Miss Gossage supervises the activities of her older girls in fifth hour homemaking class. The home economics room has six complete kitchens, a grooming section, sewing area and study tables as well as a display window on the corridor.

Sixth Hour

The commons area not only serves as a cafeteria but also doubles as a study hall. Students above are members of the sixth hour group.

Three afternoon periods end another day

Seventh Hour

Mr. Westcott instructs students in the use of the forge. The industrial arts room is also equipped with complete metal and wood-working tools as well as an office and paint room.

Leaving School

At 3:29 p.m. another school day is ended and students rush to the busses which take them to their respective communities.

A delightful three Act comedy

GRANDMA'S BEST YEARS

When Grandma Simms comes from the farm to visit her daughter, she finds a situation not to her liking. Her daughter, Mrs. Abbot, has become a social climber since the death of her husband and is making life miserable for the rest of the family.

Mrs. Abbott is bringing three of her uppercrust friends home for the week-end and when Gram learns this, she comes up with the brilliant scheme of inviting the family blacksheep to disgrace her daughter and bring her back to her senses.

All doesn't go quite as planned, however, because Gram has never seen Cousin Oscar, the family blacksheep, and she mistakes a criminal for her relative. The notorious Patch Murphy, needing a hideout, accepts Gram's invitation and even brings his wife and daughter.

The week-end is hardly what Mrs. Abbott planned on; but neither is it exactly what Gram wanted, for the criminal "relatives" find it necessary to get rough, causing plenty of exciting complications. But when Gram gets ahold of her trusty shotgun, she emerges the heroine of the situation, the police nab the long-sought gangsters, and Mrs. Abbott begins to see the light, allowing her children more freedom.

The children are shocked at the sight of Cousin Oscar.

Patch and Mabel escape with the stolen picture.

Mr. Supplee led the student body in the singing of Christmas Carols, accompanied by the high school band.

The Christmas Season Is Enjoyed By All.

Ann Arndt and Lynn Hopkins pause to admire the Christmas tree in the lobby - a student council project.

The Chorus, under the direction of Mrs. Ranger, sang several Christmas numbers including such favorites as "Gesu Bambino" and "Birthday of a King."

The Christmas season was indeed a festive one, especially here at Morley Stanwood High School.

The FHA girls added to the holiday mood making centerpieces for all teacher's desks as well as joining forces with the FFA to carry Christmas to shut-ins with their caroling.

On the last day of school before vacation, a program was held for the entire student body, planned by the Student Council. The full length color movie "Ivanhoe" was shown to start the morning's entertainment, followed by an unusual interpretation of the "Night Before Christmas", which was enacted by the faculty. The Chorus and Band then completed the program, which was enjoyed by all.

FIRST YEAR FOR MOHAWKS IN NEW LEAGUE

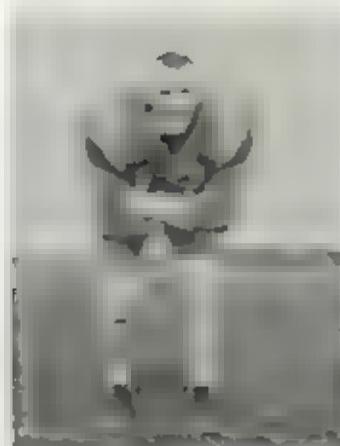

Even before the season began there was speculation about the chances of the MS football team in the tough New Mexico Conference.

The Mohawks opened by squeaking by New Mexico 6-5. Then they proceeded to defeat Howard City (4-0), Holton (20-0), Hesperia (15-6), and Kent City (10-1). The team was flying high and talk of a championship was in the air. Then Sand Lake on Parets Hill turned the tables downing the Mohawks 10-11. Observers feel that this loss helped the team, however, as they bounced back to defeat White Cloud (13-0) and defending champion Grant (15-14) in a thrilling come-from-behind victory.

Their perfect 6-0 league record will remain a tribute to the coaches and boys who gave Morley Stanwood a championship in only two years of organized football, especially since it was the Mohawks' debut in the well-established N. C. A. A.

Junior Varsity

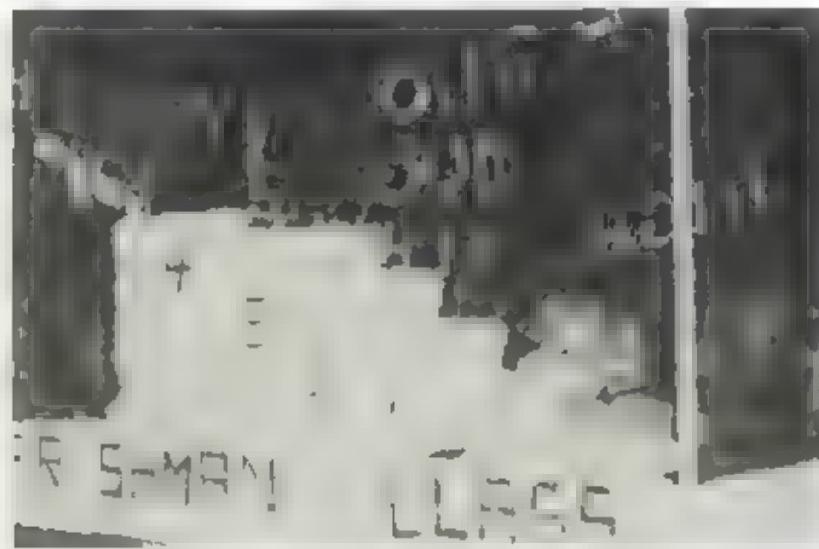

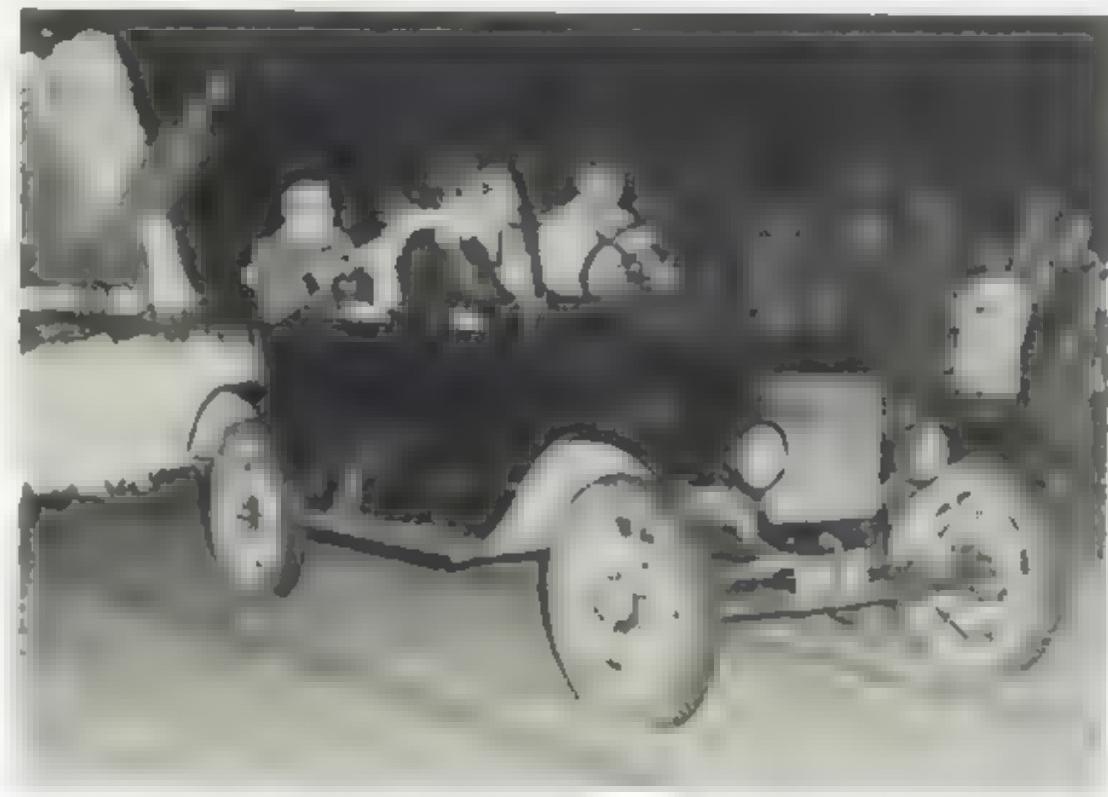

The Junior Varsity squad, under the direction of Mr. James Lodden, gained valuable experience needed for their Varsity careers of the future. They are TOP ROW Dick Hyde, Lynn Hopkins, Norman Hopkins, Jim Sharum, Ken Corbett, Ken O'Neil. MIDDLE ROW: Guy Weeks, Dave Huson, Terry Walker, Bob Miles, Nathan Holister, Bob Jensen, Mike Louck. BOTTOM ROW. Ed Paterson, Tom Waldo, Max O'Neil, Harlan Halvorsen, Terry Krum, John Bolton, Coach Lodden.

Homecoming Floats

The Freshman Class, with Peter Pecore, Bob and Art, two seniors for first place honors in the competition. The trophy given by the Senior Class was awarded between the two classes. A unique feature of the Junior entry was the antique car owned and driven by Carl LaPezz. Others in the car are George, Jerry, Roger, Bruce Harter, and Arlene Ulrich.

The Senior Class, coordinated by Mrs. T. T. C. as their float, First Freshmen. The first quad class from the new high school, the football team, C. E. N. G. A. chapter, and the students along with new football uniforms, were all depicted in great detail. The entire格子图案 are now fully in use with the "Lamb and Football Player" as their key.

Queen Linda Woolworth presides over Homecoming Ball in the Commons Area after Mohawks won "the big game". Her court includes Judy Underwood, Junior Attendant; Carol Jensen, Senior Attendant; Linda Staffen, Sophomore Attendant; and Sharon Ricketts, Freshman Attendant.

During the week of October 7, 1960, Morley Stanwood High School staged its first Homecoming, supervised by the Student Council. Each class had begun construction of their float two weeks earlier, and they all were working long hours to put the finishing touches on them. On Thursday night the spirit of Homecoming really caught on at the huge bonfire and snake dance at Latimer Park. Captain Henry Wayer lit the pile of dry pine, and as the flames leaped higher and higher, the stuffed Panther (mascot of Homecoming rival Hesperia) perched above the pile was "parched" in the truest sense. Varsity football players and cheerleaders led the winding throng of students through the streets of Morley and then proceeded back to the park, where the festivities ended. On Friday everyone was rushing to complete last-minute details like wrapping the goal posts and preparing the field before that night's game. The Mohawk Raiders came through with a victory and the dance that followed was a happy climax to a wonderful Homecoming!

1960 Homecoming Queen, Miss Linda Woolworth, is escorted by Henry Wayer, Mohawk Football Captain.

Cheerleaders

The Varsity (forming pyramid) and Junior Varsity cheerleaders teamed up this year to cheer our Mohawk football squad on to victory after victory. During the basketball season they again supported their respective teams.

DE LUXE COSTS NOTHING EXTRA!

That's the way it is with life insurance. The finest quality you can buy costs no more. In fact, it will often SAVE you money.

My company has, for years, been the leader in QUALITY life insurance at low net cost. I would like to discuss with you this quality side of life insurance. There is, of course, no obligation.
